

From Caribbean cottages, custom beachfront estates to a mega-yacht marina, Christophe Harbour is one of the new crop of high-end developments redefining luxury tropical living.

8 Mariner's Call

Enveloped by lush private gardens overlooking its neighbouring sister island of Nevis, 8 Mariner's Call is one of a number of Christophe Harbour's premier residential, modern Caribbean villa developments on St Kitts. With an exterior featuring rare, reclaimed Nevis stone, 8 Mariner's Call achieves a natural balance within the landscape it calls home. Spread across 7,042 square feet of elegant living space and covered porches, the floor plan of this stunning 4 bedroom home extends into the outdoors with an open-air pool-side pavilion and outdoor kitchen.

The whole property, completed to an incredibly high standard, includes a multitude of beautiful attention to detail features such as custom Italian plaster walls, coral stone flooring, luxury tiles and fittings throughout, custom pool with salt chlorinator system, outdoor kitchen on the pool veranda, indoor/outdoor master shower feature, mahogany doors and windows and a home theatre system.

Gracious upstairs verandas paired with 22-foot wide lift and slide doors allow outside and inside to merge effortlessly. The plantation stone backdrop wall, with copper water features adding a spa-like feel, allows the owner that private pool experience. For less private moments, the pool veranda's full outdoor kitchen and bar are perfect for entertaining a crowd of 2 or 72. Offering numerous bedroom suites and a guest house, this stunning property can easily accommodate large groups, while its many intimate nooks maintain a personal feel.
