AREA AMENITIES

◆ **SALT PLAGE** *(Seasonal Hours)*

SALT Plage at Whitehouse Bay heralds the arrival of a new era of beachside enjoyment in St. Kitts. The seaside bar welcomes guests arriving by boat or land at its new pier with tie-ups for tenders and other small craft. Relax on one of the dockside daybeds and enjoy a glass of champagne from the pier stretching 82 feet into the bay, just the spot to watch a Caribbean sunset.

◆ **THE PAVILION**

A private, members-only facility by day, The Pavilion beach club opens to the public in the evening to offer an upscale dining experience featuring fresh, local fare in a contemporary environment. Daytime access is not guaranteed for guests and is by invitation only from Christophe Harbour Management.

◆ **YU LOUNGE**

Just 15 minutes away, a private FBO terminal offers exclusive services for owners and charter guests traveling by private or commercial aircraft. A personal concierge handles baggage transportation, check-in, customs and immigration requirements. Complete with a dedicated crew lounge, fully equipped meeting room, and gourmet catering services.

◆ **MARINA VILLAGE**

Christophe Harbour is well on its way to delivering the first shoreside components of its superyacht marina in early 2017. The 11,000 sq. ft. state-of-the-art Customs House, along with the adjacent luxury retail shops, will be the anchor amenities for the emerging marina village and ensure Christophe Harbour's position as "The New Gateway to the Caribbean" and the region's ultimate homeport.

◆ **PARK HYATT ST. KITTS** *(Spring 2017)*

Opening in Spring 2017, the 5-star Park Hyatt St. Kitts will offer incredible island views looking across The Narrows to St Kitts' sister island, Nevis, and embody a contemporary-colonial style that complements the natural beauty of the island. With 134 guestrooms, including luxurious suites with private terraces and rooftop pools, as well as a custom-designed, full-service spa, the Park Hyatt St Kitts is one of the most highly anticipated hotel openings of the year.

◆ **TOM FAZIO GOLF** *(Future)*

360-degree panoramas, rolling fairways and seaside greens await those who wish to test their game on what Tom Fazio has called "the best of the best in the Caribbean." The 18-hole Fazio-designed championship course will feature two distinct sides—9 holes hugging the superyacht harbour's edge and 9 holes set more than 500 feet above the sea.
